

## SUPERGEN UKCMER ANNUAL ASSEMBLY 2017

Monday 27<sup>th</sup> November 2017

John McIntyre Centre, Pollock Halls of Residence, 18 Holyrood Park Road, Edinburgh EH16 5AY

The SuperGen UK Centre for Marine Energy Research is in its fourth phase. You are invited to participate in the 2017 **Annual Assembly** on Monday 27<sup>th</sup> November. The Assembly is just one of a series of marine and renewable energy events in Edinburgh that week, which includes the **Annual Conference of Wave Energy Scotland (WES)**, an **EU ERA-Net Workshop**, a meeting of the **UK Fluids Network** special interest group on **Marine Hydrodynamics** and the **Scottish Green Energy Awards**. Participants at the Assembly will be able to:

- Hear of progress in the Centre and learn of the ongoing work within five research themes in Phase 4: Control and Performance; Risk and Reliability; Extreme Loads and Survivability; Array Interaction and Materials and Structural Integrity.
- Learn of the outcomes of recently completed Grand Challenge Projects and progress of recent awards.
- Become aware of the new projects to be supported from the UKCMER and WES flex-fund.
- Gather insight of progress with the formation of the new combined Hub in Offshore Renewable Energy;
- Discover work underway in the EPSRC Centre for Advanced Materials for Renewable Energy Generation;
- Be updated on activities within the FloWave Ocean Energy Research Facility;
- Explore opportunities to engage with the EPSRC and ETI Industrial Doctoral Training Centre (IDCORE) and the CDT in Offshore Renewable Energy;
- Hear about progress in the Innovate UK Offshore Renewable Energy Catapult;
- Hear about Wave Energy Scotland projects and future initiatives;
- Meet academic and research staff in EPSRC-funded universities and meet many industry collaborators.

**We do hope that you will be able to come along and join us. Attendance is free but, if you plan to attend, please complete the online registration form at: <https://goo.gl/VeoRmF>.**

Bed and breakfast accommodation is available onsite as follows. Enter **CONF17** in the discount box to receive delegate discount:

<http://www.edinburghfirst.co.uk/for-accommodation/salisbury-green-hotel/>

<http://www.edinburghfirst.co.uk/for-accommodation/masson-house/>

There will be an opportunity to visit the **FloWave Ocean Energy Research Facility** at **10.00am on Tuesday 28th November**. Please indicate your interest when registering.

Meantime, if you would like to learn more about SuperGen Marine activities, please visit <http://www.supergen-marine.org.uk>
